CODE SECTION: Administrative Policy and Procedure

TOPIC: Permit extensions and associated fees

PURPOSE/REASON: Provide policy outline for permit extension. Due to the present economic conditions it was deemed necessary to come up with a policy. Based on the staff meeting dated 10/28/08 it was discussed that we should impose a fee of 25% for all permit extensions that have not expired. A 50% fee for permits that have expired but are less than 1 year old and any permit that is 1 year or older would require full permit fees. The permit holder shall provide in writing to the Building Official the reason for the extension.

INTERPRETATION: Approved pending CLV attorney concurrence and approval.
